September 21, 2005

Sir:

Receipt of the Notice of Allowability, dated August 24, 2005, is acknowledged. The Notice indicates that the priority document has not yet been received.

It is, however, pointed out that a certified copy of the applicant's corresponding Japanese Priority Application No. 2001-005447 was filed in the USPTO on January 8, 2002, as is evidenced by the accompanying postcard receipt bearing the OIPE mailroom stamp.

Another copy of the transmittal letter claiming the benefit of the priority date of the above-identified Japanese application, as well as the front page of the priority document are also enclosed.

Respectfully submitted,
